Dear Randall Putala,

Our Records Indicate Your Home Insurance is About to Renew.

Are you **ABSOLUTELY SURE** you're not paying too much for your homeowners insurance? Did you know that you can **INCLUDE WIND** in your homeowners policy? And did you know that ADAI is **NOT** the only source for windstorm insurance in Anytown??

This year, why not be sure you're getting the most homeowners insurance for your money? Don't renew your existing policy until you see what Sample Insurance Agency has to offer. I am an independent agent and can quote multiple carriers. Let us do the work for you!

Please review the quote on the back of this letter and contact me at Office: (999) 111-2345 for more details. I am available Mon-Fri in the office if you would like to stop by and talk in person.

Sincerely,

David A. Smartagent
